**DEPARTMENT OF SOCIAL WORK**

IN COLLABORATION WITH

**NATIONAL INSTITUTE OF SOCIAL DEFENCE, NEW DELHI**

Organizing Capacity Building Training Program

On

**Drug Abuse Prevention for NSS Volunteers**

**Background of the training program:**

Psychoactive Substance use related problems are one of the oldest problems in the world. Tobacco, alcohol, inhalants, cannabis, heroin, sedatives and other drugs are abused by people. Due to the influence of media, wrong role models, and peer pressure, youth are vulnerable for use of substances. Tobacco products (cigarettes, hans, panparag etc), alcohol, cannabis etc. are the common substances used by students. Youth especially students think using these substances is a symbol of pride. They have a difficulty to differentiate healthy and unhealthy habits. The usage of drugs may gradually lead to misuse and which may in turn result in addiction. There is a need to teach youth about choosing healthy habits, handling peer pressure, high-risk situations etc.

The Department of Social Work in collaboration with National Institute of Social Defence, New Delhi is conducting a two day “**Capacity Building Training Program for NSS Volunteers on Drug Abuse Prevention**” on 10<sup>th</sup> and 11<sup>th</sup> February 2017. The program will include training as well as handholding exercises. The participants will get participation certificates. The maximum intake for the proposed program is 50 based on first come first serve basis. Those who are interested can contact and enrol for the program.

**Last date to express the interest: 7<sup>th</sup> February 2017**

**Who can participate:** NSS volunteers from CUK/ other colleges or who are interested to be NSS volunteers of CUK can enrol for training program.

Fees: Nil

**Coordinators:**
