Respected Madam,

Thank you very much for your email. I have gone through the all agendas of BOS, considered and approved them in toto as the vision, mission, QDs, PLO, LOs are clearly spelt out. however I have made a few observations in the syllabus particularly DCOTA10205: FINANCIAL INCLUSION IN INDIA, number of credits can be mentioned and financial literacy could be the first unit followed by financial inclusion and Schemes for Financial Inclusion. Role of Banking Services in Financial Inclusion Socio-Economic Development aspects could be added positively with recent references

Respected Member of BOS(Commerce)

Good Morning

In addition to the agenda placed before you, the university has asked the departments to introduce MOOCs courses to the students in the university as per the direction of the MHRD and UGC circulars. Hence, the Department has also taken a decision to introduce One Open elective of 2 credits from the NPTEL or SWAYAM Plot forms from 2018-19 academic year. However, the university authorities asked the departments to get it approved from their respective BOS.

Accordingly the following item is placed before the BOS for approval.

Item No.2: Introduction of NPTEL/SWAYAM courses of 2 Credits to M.Com Students from the academic year 2018-19: The Department of Commerce is offering 2 credit course (of Students choice either in M.Com First or Second Semesters) from the courses available from NPTEL or SWAYAM from the academic year 2018-19. The same is placed before the BOS(Commerce) for the consent and approval for continuing the same from 2018-19 academic year and continuing the same further. You are hereby requested to consent for the same and approval.

I have gone through the list of books to be considered for the appointment of professor and associate professors in Commerce at Central University of Karnataka. Some of the books are mentioned repeatedly at two or more places. This may be corrected. However, the list may be considered. Further, I wish to assure you that to the best of my knowledge, none of my blood relations have applied for the post of professor or associate professor vide application No 17/2017.
