Information Brochure

About the Programme

Centre for Economic Studies, Central University of Punjab, Bathinda, Punjab, India, proposes to organize a 14 days course on 'Capacity Building Programme for Social Science Faculty Members' for the benefit of University as well as college teachers from 1st June, 2017 to – 14th June, 2017. The Programme aims at improving and upgrading the research and teaching-learning process, and targets to young faculty in social sciences. Research has becoming one of the most important aspects in the academic pursuits of higher learning across the world, and it provides the solutions to ever changing human problems. Continuous up-gradation of knowledge in the research related matters is the need of the hour. With special focus on cognitive skills in learning outcomes by way of developing research capabilities among the budding faculty members of the research institutions, colleges and Universities, the present training programme also aims to develop the researchers' capabilities to write publishable materials in the form of articles in journals and books. It will introduce the participants to the essential principles, techniques and processes of qualitative, quantitative and mixed approaches of research. In doing so, it will deal with various theoretical and methodological issues involved in such inquiry as well as the strategies and techniques such as research design, methods of qualitative data collection, coding and analysis involved in empirical field research. The Programme is fully sponsored by Indian Council for Social Science Research, New Delhi.

Objective of the Course

The objective of the course is to develop research capabilities among budding faculty members, and to turn completed research into publishable material in the form of journal articles/books. Specifically, the objectives are to:

1. Develop the capacity of conceptualising a research area/topic/theme.
