Terms and Conditions

1. You are responsible for the use of your user ID (UID) and all computer accounts that are assigned to you. You may not give anyone else access to your UID or computer accounts. You must not use a UID or a University computer account that was not assigned to you. You may not try in any way to obtain a password for another user's UID or computer account. The UID and its associated password are the property of University Information Technology. Applications and services that require their use must be approved by the System Analyst.
2. You may not misrepresent yourself or your data on the network.
3. You are responsible for the security of your password. This includes changing password on regular basis and making sure no one else knows them.
4. You must not use CUK's network resources to gain or attempt to gain unauthorized access to remote computers.
5. You must not deliberately perform an act that will seriously damage the operation of computers, terminals, peripherals, or networks.
6. You must not run or install on any of CUK's computer system, a program that could result in the eventual damage to a file or computer system and /or the reproduction of itself. This is directed towards, but not limited to, the classes of programs known as computer viruses, Trojan horses, and worms.
7. You must not attempt to circumvent data protect schemes or exploit security loopholes or interfere with standard technical measures that identify and protect the rights of copyright owners.
8. After submission of application form, your IDs start working within /after 48 hours.
9. These term and conditions are subject to change without notice, from time to time in our sole decision, the posting of any changes to these Term and Conditions will mean you accept those changes.
