From the Vice Chancellor's Desk

It is my privilege and pleasure to present the report of activities of Central University of Karnataka, Kalaburagi through this Tenth Annual Report from 1st April 2017 to 31st March 2018.

This growing University is trying to establish its credentials as an institution where learning, research and publications are pursued with great zeal to achieve the objectives enshrined in the Indian constitution. The University has initiated many novel ideas of academic and research interest to put the University on path of excellence in all its pursuits and endeavours. The University, since its inception in 2009, has been gaining from strength to strength as a result of sustained interest and efforts of the previous Vice Chancellors: Prof. A. M. Pathan, Prof. S. Chandrashekhara, Prof. S. S. Murthy and Prof. M. N. S. Rao. The CUK community has witnessed significant positive changes in terms of both people's participation and incremental growth leading to healthy changes in the University. Because of the untiring and sustained efforts of our former Vice Chancellors, this University has been moving forward to realize the dream of making this University a premier national University with international reorganization and at the same time addressing the core issues of sustainable development and progress of the region.

.....
The University has been expanding rapidly with the stated objective to realize the goals mentioned in the 12th plan proposals for higher education. The University is scrupulously following necessary guidelines of UGC, MHRD, and Govt. of India on educational policies and programmes.

The University is well aware of the challenges of the contemporary India and the world in establishing a quality educational institution. It is heartening to note that the system is committed to bring all the required changes to achieve this goal. Diversity in language, culture, belief, tradition, knowledge-systems and way of life, which mark the inclusive secular character of this country and make it unique in the whole world, is being reflected in the University.

The CUK family is truly a mini Bharat. The University, primarily nourishing Post Graduate and Research programmes, is offering courses in Kannada, Hindi, English, Economics, Commerce, Business Studies, Psychology, Social Work, Geography, Geology, Physics, Mathematics, Computer Science, Chemistry and Engineering. The University also offers Dual degree courses in Engineering and Applied Sciences with are unique and among the first of its kind in India. The University has introduced research programmes in Classical Language Kannada and Linguistics. Establishment of Centre for Endangered Languages will cater to the study and research of Endangered Languages in India. Departments in the pipeline are Folkloristic and Tribal Studies, Music and Fine Arts and Department of Education.

It is a matter of satisfaction that the University after it moved into its own campus, on 30th November 2013, whole lot of activities in the Academic, Administrative, Research, Community Development, Regional Development, Rural Development frontiers have been taking place.

The University infrastructure expansion and stabilization is high on the agenda. A state of the art library with modern facilities and user friendly atmosphere and nice ambition has started operating from the Central Library premises.

CUK community is being established in the campus with residential accommodation availability for its employees and students. Campus post office has started operating. 24/7 ambulance service has been made available for the University community. The University has initiated many clean and green activities for making this 654 acres campus, a clean, green and sustainable campus. On these lines, large scale plantations have been initiated along with a research and demonstration centre on Biofuels. Water harvesting structures across the School buildings have been constructed. On the roof top of the Administrative building, solar panels have been laid to tap the solar energy and augment the electricity supplies with an on grid system.

As per the mission and vision of Govt. of India in general and Central University of Karnataka in particular, we are committed to making this University truly world class institution of higher learning, research and innovation.

About the University

The Central University of Karnataka (CUK), established by an Act of the Parliament (No. 3 of 2009) at Kalaburagi, Karnataka, is one of the **sixteen** new Central Universities established by the Government of India in the UGC XI Plan period primarily to address the concerns of 'equity' and 'access' to education. The University provides quality higher education to the people in educationally less developed, i.e. low graduate enrolment ratio, districts of the state.

The CUK, with its territorial jurisdiction all over Karnataka has initiated its activities from the academic year beginning August 2009 in keeping with the philosophy of achieving and maintaining the highest levels of academic excellence, sensitivity to equity, and access to enrolment. The eight year old University is emerging as a premier national educational and research institution in the country.

The University has six hundred and fifty four acres campus, situated near Kadaganchi village in the district of Kalaburagi, (thirty kilometres from Kalaburagi city towards Aland), Karnataka. CUK is one of the first new Central Universities to move to its permanent campus. The main objective of the University is integrating the components of teaching, research, innovation, training and skill development with an aspiration to excel in integrated, post graduate and doctoral programs. The University offers various programmes in the following six areas: Arts, Humanities, Management, Sciences, Engineering, Education. Currently the University is running Eighteen Departments spread in eight Schools and three Centres, offering nine integrated UG-PG programmes, fifteen post graduate programs and sixteen Doctoral programmes.

SPECIAL FEATURES OF THE UNIVERSITY

- The University follows Choice Based Credit System. Students have the academic freedom to choose their courses of study by picking up components of allied, elective, supportive courses apart from their Core Courses of study.
- Departments of allied subjects function under one School, which helps in interdisciplinary academic activities.
- Continuous evaluation and up-gradation of curriculum.
- Courses have inbuilt component of developing students in a holistic way.
- Students are sent to academic tours to reputed national and international institutions for academic interactions and exposure.
- Internships, trainings, industry visits are part of the course structure.
- University placement cell.
- Academic collaboration with reputed universities and institutions.
- Merit-cum-Means Scholarship.
- All female students belonging to economically weaker sections (having annual income less than 6.00 lakhs) have been exempted from tuition and hostel fees.
- All Ph.D. students are offered fellowship of Rs. 8,000/- per month in addition to annual contingency of Rs. 10,000/-.
- Classrooms equipped with latest teaching-learning aids.
- Internet facility (Wi-Fi).
- Hostel accommodation for students.
- State-of-the-art library with e-journals, books and periodicals.

.....

Coordinator: Dr. Vijendra Panday

Introduction of the School:

The School of Undergraduate Studies coordinates with other Schools and Departments to provide a holistic undergraduate experience. It draws upon the academic resources of other schools to offer integrated and flexible learning programmes leading to the award of BA (Hons) and MA degrees with exit option after the three years in Economics, Geography, Psychology and English. The School also offers three year stand-alone BBA programme.

The undergraduate programmes also include Foundation Courses (FC).

The Foundation course is designed not only to develop a student's understanding of his/her own subject but also to enable them develop capabilities of lateral thinking, integrated understanding, and a keen cognitive perception of their surroundings.

DEPARTMENT OF ENGLISH

INTRODUCTION:

The Department of English, the first full-fledged department with which the University started in 2009, currently offers IMA, MA and Ph.D. programs. The Department attracts students, researchers and faculty from various parts of the country reflecting the multicultural fabric of India. The Department aims to foster a proud tradition of academic excellence with students exploring the widening horizons of English studies as a discipline. Interdisciplinary teaching and research, creative thinking and engagement with a larger academic community form part of this exploration. It recognizes that the study of subjects categorized under Humanities and Languages helps in understanding the past and the possibilities of future.

The Department currently has 6 regular and 7 contractual faculty members. In the academic year (2017-18), there are 43 Undergraduate, 60 Postgraduate and 4 Ph.D. students at the Department.

PROGRAMS OFFERED:

1. IMA
2. MA
3. PhD

Introduction

The Department of Linguistics is established to train students in different applied fields to meet the present and future linguistics needs of the society. One of the goals is to make use of Indian Languages as medium of Higher Education.

PROGRAMME OFFERED

1. M.A
2. Ph.D

Research Supervision: PHD

SCHOOL OF EARTH SCIENCES

Dean: Prof. MA Mohammed Aslam

Introduction

.....

The School of Earth Sciences is one of the first few schools established by Central University of Karnataka. It is home to two departments, offering post graduate and undergraduate degrees in GEOGRAPHY and GEOLOGY. The School of Earth Sciences is committed to educating a new generation of scholars who will reflect the diversity of intellectual perspectives, life experiences, and cultural backgrounds represented in society today.

The School has MoUs and close collaboration with eminent National and International Universities and Research Institutions such as Salzburg University, Austria, University of Tartu, Estonia, National Institute of Rural Development, Hyderabad, Central Ground Water Board and Indian Institute of Remote Sensing (Indian Space Research Organization), Dehradun and other reputed institutions for Teaching, Research and exchange programs for both faculties and students.

The School consists of the following Departments:

1. Geography
2. Geology

Department of Geography

Coordinator: Dr. Archana Kujur

Introduction:

The Department of Geography since its inception has pledged to follow the mission of making difference in the existing educational system and approaches. The department acknowledges the discipline of Geography as a complete science, the dissemination of which can bring a prominent difference in the social, economic, physical, environmental and political (including planning) scenario of the region and the country. The Department of Geography endeavors to take the teaching of Geography with multi-disciplinary perspective along with substantial disciplinary depth.

The Department of Geography attempts to bring in innovative approach in the way the subject is taught and studied. The courses offered aim at integrating both the basic theory and the applied aspects. The department is determined and prepared to make distinct mark in the field of the subject, with a group of young and enthusiastic faculty members along with updated teaching and educational tools, particularly harnessing the utility of geographic information system. The candidates are expected to master the Geoinformatics tools and techniques with ability to rationalize the importance of physical and social (human) aspects of the planet earth.

Programmes offered:

1. Integrated M.Sc.
2. M.Sc. in Geography and Geoinformatics
3. Ph.D.

Faculty:

Sl. No.	Name	Dissignation
1	Prof. Ali Raza Moosvi*	Professor
2	Dr. Sulochana Shekhar**	Associate Professor
3	Dr. Priya Narayanan**	Assistant Professor
4	Dr. Archana Kujur	Assistant Professor
5	Dr. B Mahalingam	Assistant Professor

13	Mr. Arun Kumar Yadav	Assistant Professor (Contractual)
*On Deputation ** On Lean		

Activities:

- Orientation day was organised by the department for interaction of the newly admitted IMSC and MSc students with the faculties and the different facilities and infrastructure available in the department and university campus.
- Fresher's welcome for the incoming students and farewell for the outgoing students was organised by the department.
- Inter-departmental Students Activity "Geosapians" was organized on 16 October.
- National Level Students Programme "GEOD" organized on the 21-22 February. The Students national level programme started with Cycle Rally, Flash mob to share awareness about the need of sustainable development. The programme was organized for two days with students participating from all over the country. Various competitions like, quiz competition, photography competition, treasure hunt etc were organized along with cultural evening.

Course Attended by Faculties

- An Online Course Offered by The SDG Academy titled "Natural Resources for Sustainable Development" completed by Dr. Archana Kujur in May 2017
- Two days' workshop on "Massive Open Online Course Preparation" conducted on 22nd & 23rd Jan 2018 at Central University of Karnataka attended by Dr. Archana Kujur

Conferences/Workshops:

- Two-day International Seminar was "Earth Resource and Sustainability" was organized on 20-21 February 2018. The two-day seminar had more than 50 oral and poster presentations and have been attended by over 200 participants, especially the 20 international participants from Sidney University, Australia. The seminar was focused in discussing about the application of the concept of sustainability in the aspects of Mineral Resource, water resource and Food.

Sponsored Projects:

Funding agency	Project title	Grants received	Duration	Investigator name and PI or Co-PI	Status (Ongoing, New project, completed during 2017- 18)
HUDCO	Application of Geoinformatics in Housing the Urban poor	18.56 Lakhs	2 Years	Dr. Sulochana Shekhar	Completed
UGC	Major Research Project on “Assessing the environmental impact of Urbanisation on Gulbarga city by using Geoinformatics”.	12.5 Lakhs	3 Years	Dr. Sulochana Shekhar	Completed
UGC- UKIERI	An interactive spatial Decision Support System for monitoring Public Health using Geoinformatics with University of Cambridge, UK	12.73 Lakhs	18 Months	Dr. Sulochana Shekhar	Completed
UGC	Modeling the Future growth of Gulbarga city - Path finding Sustainable Development	6 Lakhs	2 Years	Dr. Priya Narayanan	Completion

HUDCO	HUDCO, New Delhi Sponsored Major Research Project: Assessing and Modeling the Infrastructure crunch of Gulbarga City: Holistic approach to plan a Sustainable city using Geospatial Technology	25 Lakhs	2 Years	Dr. Priya Narayanan	Completed
DST	Mitigating and managing urban heat islands through social forestry by using hyper and multi spectral remote sensing.	32.96 Lakhs	3 Years	Dr. Sulochana Shekhar and Dr. Priya Narayana.	Ongoing
DST	Interactive spatial decision support system for monitoring public health in Gulbarga district using GIS	14,60,000 Lakhs	2 Years	Prof. Ashfaq Ahmed, Dr. Romate John, Dr. Sulochana Shekhar and Dr. Archana Kujur	Ongoing

Awards:

Name of the award: UGIT'S Excellency award 2017

Recipient's name: Prof. Ali Raza Moosvi

Awarded by: Union of Geographic Information Technologists

Award description: The Union of Geographic Information Technologists are awarded annually to professionals contributing to the field of Geography.

Student Activities:

-
- a) Online Lecture on Basics of Geoinformatics was delivered by DR. SHAHNAWAZ Director (S & SE Asia), UNIGIS International from University of Salzburg, Salzburg, on 26 February 2018.

Best / Innovative Practices adopted / introduced by the Department

- a) Two-day trip was organized by the department for Undergraduate Students Visiting from University of Sidney, Australia on the 19th and 20th of February.
- I. On 19 February the students were taken to Tur Dal processing Industry in Gunj area, Gulbarga
 - II. On 20th February the students were taken to Visit processing unit of NSL Sugar Limited at Bhusnur Village, Aland Taluka.
- b) IMSC VI Semester Students project on: Food Quality, Campus Security, Water Situation and Internet usage within CUK campus. Primary data was collected from the campus and various aspects of campus quality of life was studied by the students.
- I. They were encouraged to carry out observation and in-depth interview with the students and faculties living in the Campus.
 - II. They interacted with at least 50 students and interviewed 10 administrative staffs.
 - III. This was done to enhance their understanding of campus issues through observation and interaction method.
 - IV. Finally, a report was prepared compiling the finding and observations of the field work.
- c) The Sixth semester students were taken to field trip for seven days' trip to the states of Tamil Nadu-Kerala and Karnataka.
- I. The field trip covered Madurai, Kodaikanal, Rameshwaram, Kanyakumari, Ernakulam and Gulbarga.
 - II. In this educational trip the students were made to understand the urban structures and patterns of different cities.
 - III. Extensive report on the morphology of the cities was prepared and submitted.
- d) The MSc IV semester students were sent for their six-month dissertation work to

.....
reputed institutions such as

- i. National Institution Rural Development and Panchayati Raj, Hyderabad, Telengana
- ii. National Remote Sensing Centre, Hyderabad, Telengana.
- iii. Karnataka State Natural Disaster Monitoring Centre, Bangalore.
- iv. Indian Institute of Space Science and Technology, Tiruvananthapuram, Kerela.

DEPARTMENT OF GEOLOGY

Head: Prof. Mohammed Aslam M. A

INTRODUCTION:

The Department of Geology has good facilities and laboratories to cater to the needs of practical course- work of M.Sc. students as well as for research. Geology is the study of the interacting systems of the solid Earth with atmosphere, hydrosphere, and biosphere as they evolve through time. The courses offered at the Department focus on the scientific study of the earth. Geologists discover, develop, and responsibly manage minerals, energy resources, and other earth resources such as groundwater. Geological knowledge enables to ensure a sustainable development of natural resources and the use of these resources responsibly.

The courses offered by the Department cover a wide range of core courses in geology and allied subjects. It provides foundation for the study of fundamental geologic methods and problems, both in the laboratory and in the field. It includes instructions in geomorphology, sedimentology, hydrogeology, geochemistry, stratigraphy, mineralogy, petrology, geostatistics, geophysics, remote sensing, environmental geology, economic geology, geophysical principles and geoinformatics. These courses are designed such that they blend traditional basics of earth sciences with the emerging cutting-edge geo-spatial applications and techniques so that the students are equipped with both theoretical knowledge and practical applications of the subjects. The Department of Geology strives to achieve academic excellence and to produce geoscientists with world-class training.

Programmes offered:

1. Integrated MSc
2. M.Sc. Applied Geology and Geoinformatics
3. PhD

Faculty:

1	Dr. Mohammed Aslam M. A.	Professor & Head
2	Dr. M. Lingadevaru	Assistant Professor
3	Dr. K. Channabasappa	Assistant Professor
4	Dr. Mohammed Aleem Pasha	Assistant Professor
5	Dr. Tejaswai Lakkundi	Assistant Professor

Activities:

a) Field Works:

.....
Intensive field work was carried out for MSc and IMSc students at and around Holenarsipur and Hutti Gold Mines, Karnataka and around Aurangabad, Maharashtra. Field works/trips activities included geological mapping and understanding underground-mining operations.

b) Ozone Celebration Day:

Marking the effects of depletion of Ozone layer and its importance in the atmosphere, Ozone day was celebrated in the Department of Geology demonstrating about the harmful effects related to ozone layer depletion. It was held on 16th September 2017. International Ozone Day Pledge was also done by all the students and faculties stating the importance of environment protection and ozone layer depletion. An awareness rally was conducted in the Campus.

c) Water Quality Analysis:

The drinking water as well as the non drinking water in the campus/hostels are regularly tested and analyzed in the Department of Geology. Faculty member and research scholars involved in the analysis water quality and a timely report is maintained. Water samples from girls' hostel, boys' hostels, different department and schools are regularly examined.

d) International Geologists' Day:

International Geologists Day is celebrated annually in the first week of April worldwide. As a part of contribution to the celebration, students of the department have undertaken a unique way of exchanging the subject knowledge among them online. During the course of the celebration students have been made aware among themselves about the various unexplored/explored aspects of the subject geology.

e) World Water Day:

World Water Day is celebrated every year on 22nd March. For the year 2018, the World Water Day was celebrated with the theme 'Nature for Water'. On this occasion, a lecture was given by Dr. Tejaswai Lakkundi, Asst. Professor in Geology, CUK on the theme 'Nature for Water' highlighting the global water problems and the future outlook.

f) Internships:

As a part of curriculum students of MSc Geology and BSc geology undergo summer research training or Internships at prestigious institutes like Central Ground Water Board (CGWB), Bangalore, National Institute of Oceanography (NIO), Center for Water Resources Development and Management (CWRDM), Kozhikode, National Institute of Hydrology (NIH) etc. through these internship programmes students are regularly groomed up with the practical knowledge and gain exposure to such premier institutes.

g) Projects/Dissertations

.....
Students of final year MSc students in their fourth semester shall go on to do a project/dissertation work for about 4-5 months. Project works are carried out at the national institute of repute like INCOIS, CGWB, NIO, PRL etc.

h) Swachh Bharat

As a major mission started by honorable Prime Minister Shri. Narendra Modi – Swachh Bharat campaign was actively done in the School of Earth Sciences premises. The campaign helped in making the department clean and green later on as well.

i) GEODE 18

National Level Students Programme “GEODE 18” at School Level was organized on the 21st and 22nd February 2018. The Students national level programme started with a Bicycle Rally and flash mob to share awareness about the need of sustainable development. The programme was organized for two days with students participating from all over the country. Various competitions like, quiz competition, photography competition, treasure hunt etc were organized along with cultural evening.

j) ERAS

Two-day International Seminar entitled “Earth Resource and Sustainability” was organized on 19-20 February 2018. The two-day international seminar, attended by over 200 participants including 20 from Sydney, Australia, witnessed more than 50 oral- and poster-presentations. The focus area of the seminar was about the application of the concept of sustainability in the aspects of mineral and water resources, and food.

k) GEOSAPIANS

Inter-departmental Students Activity and competitions “Geosapians” was organized at School level on 16 October, 2017.

Training/Courses attended by Faculty members

1. MA Mohammed Aslam: 7th Asian GWADI Meeting at NGRI Hyderabad, 26-30 Nov, 2017.
2. MA Mohammed Aslam: Participated in the Faculty Development Programme on Data Analysis using SPSS, on 10th and 11th January 2018. Organized by the Central University of Karnataka, Kalaburagi.
3. MA Mohammed Aslam: Participated in the workshop on “Massive Open Online Courses Preparation” held on 22nd and 23rd January 2018. Organized by the Central University of Karnataka, Kalaburagi.
4. K Channabasappa: Participated in the Faculty Development Programme on Data Analysis using SPSS, on 10 and 11th January 2018. Organized by the Central University of Karnataka, Kalaburagi.
5. K Channabasappa: Participated in the workshop on “Massive Open Online Courses Preparation” held on 22nd and 23rd January 2018. Organized by the Central University of Karnataka, Kalaburagi.

DEPARTMENT OF SOCIAL WORK

INTRODUCTION

The Department of Social work offers MSW and PhD programmes in Social work. The Department maintains Professional network with civil society organizations, NGOs, industries, hospitals, government departments, corporate organizations, rural communities and urban communities. The collaborative networks with such professional organizations enable the students to convert theoretical knowledge into action models appropriate to resolve social issues in the field reality and thus facilitate learning by doing process. The students are given intensive training in understanding the theoretical context, application framework, practice-based and evaluate the learning outcome. The curriculum of social work empowers the students with critical understanding, research aptitude, participatory and service learning. Subsequently, the students gain right framework of knowledge, adhere to the pursuit of healthy practices, inculcate appropriate skills and introduce action for development and empowerment of the groups and organizations in the communities. Ultimately, learning by doing-practice with individuals, families, groups, organizations and communities transform the students to take up leadership and entrepreneurship role for development, empowerment, social change and social justice.

Vision

Committed to Universal Values and Knowledge.

Mission of the Department

Department of Social Work with a blend of interdisciplinary knowledge systems aims to generate a cadre of professional social workers, who integrate the values-framework of social inclusion, human rights and social justice to achieve social development and social change.

DEPARTMENT OF HISTORY AND ARCHAEOLOGY

INTRODUCTION

Historical study always provides an outstanding preparation for informed citizenship in an increasingly complex and interdependent world and lays a firm foundation for many career objectives. The Department of History strives for national and international recognition for providing instruction at the post graduate and research level about the importance of understanding the past in any society, and for teaching them critical, analytical and research skills applicable to career paths. It has a globally accepted curriculum with world-class standards, so that any degree earned here would have international value. With a strong focus on research, the department pursues evidence-based research both at the faculty level as well as through the research scholars. The department of History offers P.G. & PhD Courses and strives for national and international recognition by providing quality education with understanding critical, analytical and research skills. The range of teaching and research includes Ancient, Medieval, Modern & Contemporary Indian History, inquiries into the polity, economy, society and culture since the earliest times in a pan Indian, integrated and inter-disciplinary perspective. The P.G. programme is more interactive and interdisciplinary by giving more emphasis on archaeology and numismatic into it. The most attractive feature of the P.G programme is that is structured flexibly to achieve breadth while permitting students to specialize in an area that is of a particular interest. The research scholars are encouraged to peruse innovative and meaningful historical researches that contribute to the popular and scholarly understanding of the past. Students will be encouraged to explore new areas by taking courses that focus on periods and regions with which they are not familiar.

The department has good relationship with premier institutes like Deccan College and Indian Institute of Research in Numismatic studies for the support and field training of PG students. Good exposure will be given to the students through visiting archaeological sites, participating in excavation, workshops and practical training. In addition to these regular programmes, the department is also offering elective/allied courses across all other departments and schools on following topics Ancient, Medieval, Modern India and freedom Movement. The Department also take initiatives to launch programmes of interdisciplinary domains that takes history beyond the disciplines. The Department is dedicated to providing quality education to all who want to acquire critical thinking, skill and innovative research in history. The department of History is established in CUK with the following mission and vision

Mission: The department's mission is twofold. (1)- to introduce students to the breadth and depth of the human experiences by a comparative study of the past and the contemporary society and culture & (2)-to develop their ability to conduct research, analyse and articulate sound conclusions both orally and in writing

Vision: to foster the spirit of historical empathy and wisdom among the students that promotes tolerance, understanding and appreciation to the view of the others

SCHOOL OF BUSINESS STUDIES

INTRODUCTION

The School of Business Studies presently comprises of the Department of Economic Studies and Planning, Department of Commerce, and Department of Business Studies.

The Vision of the school is to emerge as a centre of excellence in interdisciplinary approaches to studies and research involving Economics, Commerce and Management. The Mission of the school is to blend theory with application. Emphasis will be on application of theories in real life situations to enhance skill sets of students.

It has an internship programme and undertakes various other measures like ERP, personality development and such initiatives that offer maximum exposure and enhance the skill-level and employability of the students. A Placement Assistance Division is also established to explore opportunities for student's placements with industries and institutes. The students of the school under the supervision of the faculty members undertake social outreach activities such as helping the deaf and dumb school and collecting used cloths to distribute to the poor etc. The students of the school organise a management fest, by inviting sponsorship from business organisations at the inter-institutions level, where teams from various management institutions participate in a variety of management related events.

The School Consist of following Departments:

- (i) Department of Economic Studies and Planning
- (ii) Department of Commerce
- (iii) Department of Business Studies

DEPARTMENT OF BUSINESS STUDIES

INTRODUCTION

The Department of Business Studies has been established with a vision to strive for excellence in the field of Business Studies through multi-disciplinary approach and foster entrepreneurial and managerial talent among students who with their core competence, can carve their own niche in the highly competitive world. The mission of the department is to nurture and shape positive attitude, competencies and capabilities among the students who can apply entrepreneurial skills, management concepts, tools and techniques, and ethical principles in sustaining/creating socially responsive organizations, institutions and enterprises that are vital for the growth and development of the region, nation and the world at large.

PROGRAMS OFFERED

1. BBA
2. MBA
3. Ph.D

The department offers three year BBA and two year four semesters MBA program with specialization in Marketing, Finance and Human Resource Management and Ph.D. programme. The courses are dynamic in nature and are modified from time to time to address the requirements of the corporate and industries. In order to equip the students to assume the diverse roles of business executives to entrepreneurs the pedagogy adopted by the department comprises of games, role plays, quiz, industrial visit and group exercises in addition to lectures, seminars and case methods. The department also arranges interaction with industrialists, business executives, management consultants, leaders from NGOs and civil societies and reputed academicians for the benefit of students to impart practical orientation. Students are evaluated through continuous internal components of class test, presentations, assignments and the end term examination.

The department organizes workshops, seminar, series of guest lectures by the industry practioners and academicians from reputed organizations of the country throughout the year. In order to give the practical exposure to the working of the industry postgraduate students are sent on the industrial visit to different places every year. A mega management fest is organised by the students themselves to apply their knowledge & skill sets learnt during the course, into their practical life.

DEPARATMENT OF COMMERCE

INTRODUCTION

The Department of Commerce started functioning from the academic year 2010-11 as a constituent department in the School of Business Studies. It offers two year (four semesters) Post Graduate program in Commerce with specialization in Finance, Accounting & Taxation and Banking & Insurance. The course is designed, updated and imparted to develop conceptual and analytical skills to the students in line with the industry requirements. The course structure has a judicious mix of conceptual, analytical and quantitative reasoning to meet the requirement of the industry. The department has experienced faculty and invites experts from the industry as well as academicians from reputed institutions on need basis. The course is enriched with in-plant training and research project to inculcate research culture and to help the students to gain exposure to the working of the corporate environment. The Department promotes faculty research, consultancy, training and outreach activities. The Department is also offering full time PhD Program. The department is striving to promote research in the Hyderabad Karnataka Region. It is credited with organising workshops, capacity building programs and national conferences. Faculty members are actively undertaking research projects funded by national organisations.

DEPARTMENT OF ECONOMIC STUDIES AND PLANNING

INTRODUCTION

Department of Economic Studies and Planning (DESP) is a premier branch in the School of Business Studies established to impart quality education in economics and to promote higher research that seeks to provide policy solutions for economic problems faced by businesses, consumers and economies over space and time. DESP's vision is to become a leading center of economics learning in India and the world. It is committed to provide specialist training, skills and expertise to our students to become leaders of change for furthering the objectives of the social, market and governmental institutions they choose to serve. Its syllabus is innovatively embedded in accumulated knowledge base and emerging fields of study. Along with a rigorous teaching programme, it constantly strives to promote cutting-edge research and scholarship supervised by its eminent faculty. While keeping the global and national focus of its research activities, the department would actively address regional needs by encouraging research on regional development and industrialization, rural entrepreneurship, small and medium enterprises, agricultural advancement, etc.

SCHOOL OF PHYSICAL SCIENCES

INTRODUCTION

School of Physical Sciences was started in 2012 with the Departments of Physics and Mathematics as its constituents. The primary goal of the School is to provide high quality education in various domains of Physics and Mathematics. The academic programmes of the School of Physical Sciences are aimed at creating an environment that promotes research and innovation. The School is creating high quality infrastructure in terms of well qualified faculty, well equipped laboratories, computational facilities and high-quality learning materials in various domains of Physics and Mathematics. This infrastructure would be utilized to create motivated young scientists and mathematicians capable of contributing to a “Knowledge Society”. Towards this end the School of Physical Sciences offers programs leading to M.Sc. and PhD degrees. Prof. G. R. Naik is the Dean of School of Physical Sciences. The School consists of the following Departments:

1. Department of Physics
2. Department of Mathematics

DEPARTMENT OF PHYSICS

INTRODUCTION

The Department of Physics offers a 2 year (4 semesters) Master's degree program to prepare students for a career in teaching and research. Students will not be allotted any branch of specialization in Physics at the time of admission. The first two semesters will be devoted to the study of foundation courses in Physics. During semester II and III the students will have the freedom to study subjects of his/her choice under the guidance of a faculty advisor. The fourth semester is set apart exclusively for a dissertation project. The entire curriculum is designed to prepare a student to enter a research career in multi-disciplinary areas of science and technology in research organizations and industry. The program emphasizes on developing scientific and innovative spirit, instilling professional ethics and spirit of service to the society.

The most attractive feature of the M.Sc. program is the freedom given to the students to decide about domain specialization during the 2nd year of their studies. They would be guided to select from a basket of elective courses focused on a major domain of Physics. They would also have the opportunity to study cross-disciplinary subjects depending on their interest. Thus, the students would be well prepared to contribute to research in multi-disciplinary fields of contemporary interests. Another prominent feature of the M.Sc. program is the Dissertation project to be carried out in the 4th semester. The students will be allotted a project at the end of the 2nd semester and they would be required to explore the project topic by self-study during the 3rd semester. At the end of this study they would be required to submit a project proposal to carry out a project in the final semester. This study would be carried out under the supervision of a faculty advisor. The project itself can also be carried out in a prominent research organization in India. Thus the project would provide the students with research experience to enable them to continue further into the PhD Program.

PROGRAMMES OFFERED

1. M.Sc.
2. PhD

FACULTY

1	Prof. G.R. Naik	Dean
2	Bharat Kumar	Assistant Professor
3	Deepak Samuel	Assistant Professor
4	Rajeev S. Joshi	Assistant Professor
5	Bala Murali Krishna Mariserla	Assistant Professor (Joined in March 2018)
6	Pramod Tadapatri	Contractual Faculty
7	Anil Tumulari	Contractual Faculty
8	Venkatsai Dasari	Contractual Faculty
9	Uday Kumar Khadke	Contractual Faculty
10	Mallamma Mulimani	Contractual Faculty

ACTIVITIES

Guest Lectures/Seminars by visitors:

1.	Prof. P S Anil Kumar, Indian Institute of Science, Bengaluru ‘ Introduction to Spintronics’. 15th September 2017
2.	Prof. B P Ajit Kumar, Inter University Accelerator Center, ‘Expeyes for Physics Experiments, Delhi, 22nd January 2017,
3.	Dr. Sandeep Nagar, G. D. Goenka University, Python Programming, Haryana 20th January 2018

CONFERENCES/WORKSHOPS/TRAINING PROGRAMMES

CONDUCTED

1. Workshop on "Physics Experiments with Computers" on 20th and 21st January 2018.

PATICIPATED

1. Samuel D. et al. (2018) Performance Metrics of a GPU Based Track Fitting Code for the INO Prototype Stack. In: Naimuddin M. (eds) XXII DAE High Energy Physics Symposium. Springer Proceedings in Physics, vol 203. Springer

DEPARTMENT OF MATHEMATICS

INTRODUCTION

The Department of Mathematics was established in 2012 and has always shared the vision of the institute in striving for excellence in teaching. Growing steadily, today the department not only teaches various topics in mathematics to undergraduate and postgraduate students of different engineering and science departments, but also runs its own M.Sc. Course in Mathematics. The department started its M.Sc. Mathematics course in the year 2012 with the intake of 32 students. The frontier areas of research of the department include Fluid Mechanics, Computational Fluid Dynamics and Numerical Analysis. The laboratories in the department and the computer centre are equipped with most modern facilities to provide the best work environment. The students are trained in computer programming languages like C, C++, and FORTRAN. They also gain exposure in handling problems through mathematical software like MATLAB, Mathematica, Maple etc.

Vision:

To be among the best Mathematics Departments in the country and to establish an international reputation as a centre for research and teaching in Mathematics.

Goals:

- To attract motivated and talented students to the master's and doctoral programmes of the Department.
- To provide a stimulating teaching environment for the undergraduate and post graduate students of the Department.
- To provide the best possible facilities for our students, particularly in the areas of computer facilities, library facilities and administrative support.

PROGRAMMES OFFERED

1. M.Sc. in Mathematics
2. PhD in Mathematics
3. Integrated B.Sc-M.Sc

FACULTY

1	Prof. G.R. Naik	Dean
2	Dr. G. Janardhana Reddy	Assistant Professor & Coordinator
3	Dr. N. Sandeep	Assistant Professor (Joined on March 1 st 2018)
4	Dr. Sreenivasulu Ballem	Assistant Professor (Joined on March 1 st 2018)

5	Dr. Ranganatha D	Assistant Professor (Joined on March 5 th 2018)
6	Dr. Devika S	Assistant Professor (On Contract)
7	Dr. Jaweria Sultana	Assistant Professor (On Contract)
8	Dr. Dhanraj M	Assistant Professor (On Contract)
9	Dr. Nageswara Rao Vemuri	Assistant Professor (On Contract)

CULTURAL & SPORTS ACHIEVEMENTS: List of Students Who Obtained Prizes in “**CUK Ankur Fest**” (Cultural & Sports) for the Year 2018.

Sl.No	Name of the Student	Participated Event
1.	Adarsh Gadale	Photography -1 st Prize
2.	Ullas , Sanoop, Sachin, Jyoti, Shiva Kumar, Shweta, Laxmi, Jyothi, Lisa, Amoth	Mime -1 st prize
3.	Bhavya & Vidya	Group Song -1 st prize
4.	Bhavya	Solo Song -2 nd prize
5.	Sachin & Adarsh	Volley Ball -2nd prize
6.	Sowmya & Yogeeta	Throwball-2nd prize

RESEARCH SCHOLARS ACHIEVEMENTS:

1. Name of Research Scholar: Bhaskerreddy Kethireddy

Name of Supervisor: Dr. G. Janardhana Reddy

Participation in Workshops/Conferences:

- Participated in the two days national workshop on “Multigrid methods and GPU computing-2017” organized by the department of Mechanical engineering, Birla Institute of Technology and Science, Hyderabad- 500078.
- Presented a research paper on “Transient micropolar fluid past a Vertical cylinder with bejan’s heat and mass flow visualization”, Proceedings of the 24th National and 2nd International ISHMT-ASTFE, December 27-30, 2017, BITS Pilani, Hyderabad, India.
- Presented a research paper on “Transient analysis of Casson fluid thermo-convection from a vertical cylinder embedded in a porous medium: Entropy generation and thermal energy transfer visualization”, 59th Congress of ISTAM, Osmania University, Hyderabad, India, during 15th – 18th December, 2017.

2. Name of Research Scholar: Mahesh Kumar (DST-INSPIRE JRF Fellowship)

Name of Supervisor: Dr. G. Janardhana Reddy

Participation in Workshops/Conferences:

- Attended and presented a research paper in 62nd Congress of Indian Society of Theoretical and Applied Mechanics (ISTAM) Conference, Jointly Organized by Departments of Mathematics, Mechanical and Civil Engineering, University College of Engineering, Osmania University, Hyderabad, on December 15-18, 2017. **Title of the research paper:** Unsteady MHD flow a Jeffrey fluid past an isothermal vertical flat plate.
- Attended and presented a research paper in International Conference on “Numerical Heat Transfer & Fluid Flow (NHTFF-2018)” Organized by Department of Mathematics, National

.....
 Institute of Technology, Warangal, on January 19-21, 2018. **Title of the research paper:** A numerical study of entropy contours and heatline visualization for second-grade fluid flow past a vertical cylinder.

3. Name of Research Scholar: Hussain Basha (Maulana Azad National Fellowship)

Name of Supervisor: Dr. G. Janardhana Reddy

Participation in Workshops/Conferences:

- Attended National workshop on “Research Methodology” Organized by Government College (Autonomous), Kalaburagi on October 6-11, 2017.
- Attended and presented a research paper in 62nd Congress of Indian Society of Theoretical and Applied Mechanics (ISTAM) Conference, Jointly Organized by Departments of Mathematics, Mechanical and Civil Engineering, University College of Engineering, Osmania University, Hyderabad, on December 15-18, 2017. **Title of the research paper:** Time-dependent natural convection couple stress fluid flow past an isothermal vertical flat plate with chemical reaction.
- Attended and presented a research paper in 24th National and 2nd International ISHMT-ASTFE, Heat and Mass Transfer Conference, Organized by BITS Pilani Hyderabad Campus, on December 27-30, 2017. **Title of the research paper:** Heatline visualization of transient free convection supercritical fluid flow over a vertical plate.
- Attended and presented a research paper in International Conference on “Numerical Heat Transfer & Fluid Flow (NHTFF-2018)” Organized by Department of Mathematics, National Institute of Technology, Warangal, on January 19-21, 2018. **Title of the research paper:** Unsteady boundary layer flow of magnetohydrodynamic couple stress fluid over a vertical plate with chemical reaction.

4. Name of Research Scholar: Ashwini Hiremath (DST-INSPIRE JRF Fellowship)

Name of Supervisor: Dr. G. Janardhana Reddy

Participation in Workshops/Conferences:

- Attended and presented a research paper in 62nd Congress of Indian Society of Theoretical and Applied Mechanics (ISTAM) Conference, Jointly Organized by Departments of Mathematics, Mechanical and Civil Engineering, University College of Engineering, Osmania University, Hyderabad, on December 15-18, 2017. **Title of the research paper:** Heatline visualization for a third-grade fluid flow past an isothermal vertical cylinder.
- Attended and presented a research paper in International Conference on “Numerical Heat Transfer & Fluid Flow (NHTFF-2018)” Organized by Department of Mathematics, National Institute of Technology, Warangal, on January 19-21, 2018. **Title of the research paper:** Transient analysis of third-grade fluid flow past a vertical cylinder embedded in a porous medium.

SCHOOL OF CHEMICAL SCIENCE

INTRODUCTION

Vision of School: To become one of the well-recognized Chemistry School for higher learning in India and world in terms of producing Skilled & Employable Chemists, Researchers, Teachers and Citizens who are go-getters meeting the challenges in Chemistry and society.

Mission of School:

- Solid foundation in Chemistry Subject
- Hand on training in Laboratory Skills
- Exposure to Analytical Instruments
- Independent Research component
- Exposure to opportunities in Chemistry
- Encouragement to visit National Institutions
- Career guidance
- Soft skill exposure
- Exposure to IPR & Safety
- Expert visits from Academia & Industry
- Tie up/MoU with National Institutions, Industries & Institutions in the World.

DEPARTMENT OF CHEMISTRY

INTRODUCTION

Chemistry is the domain of Natural Sciences dealing with the science and technology of all living and non-living things on the earth. Its impact is spread over all human activities and industrial advances in the world. The motto of the Department is to explore various facets of the Chemistry, investigate new horizon and impart the knowledge to young students. Department of Chemistry is running a 4 semester (2 yrs) M.Sc. programme & PhD programme in Chemistry from the academic year 2014-15. The M.Sc. programme is designed to prepare scientists having a thorough knowledge of fundamentals as well as recent advances in modern chemistry. The students will be exposed to new emerging areas of research such as biological chemistry and materials science. The training provided over two years would enable the students to be in a better position to qualify in the national level tests such as UGC-CSIR fellowships, GATE and state level tests (SLET or SET) in Chemistry.

A major feature of the M.Sc. program is the dissertation project that each student has to carry out in the fourth semester on topics of current research interest. The experience gained in the project work would prepare the students with adequate skills and knowledge to take up a career in research or enter industry. The Program includes visits to various National Institutions, industries, training on Laboratory safety issues, Intellectual Property rights and personality development to transform the

.....
students into innovative scientists. Please, visit department following department website for more information. http://cuk.ac.in/Academic/SCHS/Dept_Chemistry.aspx

PROGRAMMES OFFERED

1. M.Sc.
2. Ph.D.
3. Integrated B.Sc.-M.Sc.

FACULTY

1	Prof. G.R. Naik	Dean
2	Dr. Harish Holla	Assistant Professor
3	Dr. K. Hanumae Gowd	Assistant Professor
4	Dr. N.S. Venkata Narayanan	Assistant Professor
5	Dr. P. Duraippandi	Assistant Professor
6	Dr. Kanaparthi Suneel	Assistant Professor (On Contract)
7	Dr. Oruganty Anjaneyulu	Assistant Professor (On Contract)
8	Dr. Chandrasekhar	Assistant Professor (On Contract)
9	Dr. Prashant Hanamshetty	Assistant Professor (On Contract)
10	Dr. S. R. Goud	Assistant Professor (On Contract)
11	Dr. Bhavya Deepthi	Assistant Professor (On Contract)
12	Dr. Mehrajjudin Baag	Assistant Professor (On Contract)

ACTIVITIES

Department carried out various Academic activities like special invited lectures by eminent professors & Intellectual property Rights course. Dr. Hanumae Gowd & Dr. Harish Holla conducted poster presentation activity in the department over biomolecules under Chemistry of Life and drugs under Introduction to Medicinal Chemistry. Department celebrated Teachers day, Ankur sports activity. Department carried out Pharmaceutical Industry Visit at Bidar, Karnataka. Department also involved in outreach activity with society through Centre for Information & Demonstration of Biofuel production and research (CIDBPR)

CONFERENCES/WORKSHOPS/TRAINING PROGRAMMES

CONDUCTED

1. Department organized two workshops during the academic year. Department conducted one day workshop on 14th October 2017 on the topic 'Frontiers in Chemistry.'
2. Department organized second workshop in collaboration with Spinco Biotech on 'Applications of RP-HPLC in pharmaceutical industry'. Students were exposed to new research topics and instrumentation of RP-HPLC by these workshops.

PARTICIPATED

1. Talk: “*Natural Product Scaffold based approach in identifying leads against Tropical Neglected Diseases*” **Presenter: Dr. Harish Holla**

International Conference: ‘Interdisciplinary Approach in Chemical Research (IACR 2017) at S. M. Joshi College, Hadapsar, Pune, India Central University of Karnataka, Kalaburagi.

Dates of the conference: 13th -14th December, 2017.

2. Poster Presentation: ‘Synthesis of New Cytotoxic Hybrid Molecules based on Multi-target Drug Design Approach using Combretastatin A-4 as Scaffold " 11-13th January, 2018; 24th ISCB International Conference (ISCBC-2018), Manipal University, Jaipur. Akanksha Sharma, Sudarshan Reddy, Harish Holla
3. Poster Presentation: ‘Two new Polychiral Pyrones from *Orthosiphon diffusum*’ 21-23rd, November, 2017; International Conference on Disease Management for Human Welfare, Gulbarga University, Kalaburagi. Doddabasappa T., Akanksha Sharma, Harish Holla.
4. **Govindu PCV**, Athul mohan, Ashwini Dolle, Gowd KH, “Conformations of cysteine disulfides in peptide toxins”, **Structure Across Scales** held at National Centre for Biological Sciences, TIFR, Bangalore on 7-8 Oct-2017.(Poster)
5. **Govindu PCV**, Dhananjeyan V, Gowd KH. “Photostabilisation of avobenzone using glutathione”. **International conference on Advances in disease management for human welfare**, held at Gulbarga University, Kalaburagi on 21-23 Nov-2017.
6. **Govindu PCV**, Sudarshan C , Gowd KH , “Anchoring of barbituric acid onto the peptide disulfide of contryphans through cysteine sulfenic acid”, **6th Indian Peptide Symposium** held at HBCSE Mankhurd, Mumbai on 23-24 Feb-2017.(Poster).
7. **D. Ashwini**, M. Vijayasarathy, H. Yamanappa, Dr.K.H.Gowd, S. Raghothama “Characterization of redox conopeptides derived from Indian marine cone snails”, **Structure Across Scales** held at National Centre for Biological Sciences, TIFR, Bangalore on 7-8 Oct-2017. (Poster)
8. **Ashwini Dolle**, Veerababu Nagati, Dr. P. Anilkumar, Gowd KH , “Antimicrobial activity of disulfide containing Temporin-SHF”, **6th Indian Peptide Symposium** held at HBCSE Mankhurd, Mumbai on 23-24 Feb-2017. (Poster)
9. **D. Ashwini**, Konkallu Hanumae Gowd, “Electron transfer dissociation mass spectral cleavage of Lanthionine bridges of synthetic and natural (Lanti) peptides”, **Advances in disease management for human welfare**, held at Gulbarga University Kalaburagi, Kalaburagi on 21-23rd Nov-2017. (Poster)
10. **K.Kasi Amarnath Reddy**, Gowd KH, “Chemical synthesis of Conopeptides of marine cone snails”, **6th Indian Peptide Symposium** held at HBCSE Mankhurd, Mumbai on 23-24 Feb-2017. (Poster)
11. **K.Kasi Amarnath Reddy**, Gowd KH, “Chemical synthesis of Conopeptides”, National Conference “**Reaching the unreachable through Science and Technology** held at Mangaluru University, Mangaluru on 8-9 Sep-2017. (Oral presentation)
12. **Basavaprabhu**, P.Ch.V. Govindu and Dr. K. Hanumae Gowd*, “*Diversity of folds in venomous Conus peptide toxins*”, 24th ISCB International Conference (ISCBC-2018), **Frontier Research in Chemistry and Biology Interface**, January 11-13, 2018 held at Manipal University, Jaipur, India (Poster presentation).

13. **Smriti moi**, Konkallu Hanumae Gowd, "Chemical Synthesis of Cystine Motifs", **Frontiers in research in chemistry and biology interface** (ISCBC-2018), held at Manipal University, Jaipur, on 11-13th Jan-2018. (Poster)

VGST	Unraveling the biochemical reactions of cysteine sulfenic acid: Structural and functional characterization of peptide barbiturates	5 Lakhs	01 Yr	Dr. Konkallu Hanumae Gowd	Ongoing

AWARDS

1. Dr. Konkallu Hanumae Gowd received the young scientist grant from VGST, Karnataka

BEST/INNOVATIVE PRACTICES

Department encourages students to participate in various chemistry based competitive exams such as CSIR-UGC, GATE etc and provides tutorials in the concerned topics to excel students. M.Sc. Student has participated in many socially relevant programs & activities conducted in various departments in University and has won first prize. Some of her award-winning works are depicted below.

Miss Vidya Dhamodharan

1. 1st Prize-On World Social Work Day Posters-organized by Dept. of Social Work, CUK).
2. 1st Prize on Corruption Free India Posters- Vigilance Awareness week organized by CUK.
3. 1st Prize on Earth & Human activity Posters- organized by School of Earth Science, CUK.
4. 1st Prize on Respect & Dignity of Women in Modern India Posters- organized by SPARSH, CUK.
5. 1st Prize on Suicide Prevention Posters- organized by Dept. of Psychology, CUK.

STUDENT ACTIVITIES

Summer Internship Activities: The following M.Sc. –Ist year Students visited different National Institutions for Carrying out Summer internship project.

S.No	NAME	NAME OF INSTITUTION	GUIDE NAME	PROJECT TITLE	DURATION
------	------	---------------------	------------	---------------	----------

1	*Lakshmi S Kamegaonkar	Indian Institute of Science, Bangalore	Prof. Akil R. Chakravarthy	SYNTHESIS AND CHARACTERISATION OF BODIPY BASED PHOTSENSITIZER AND IT'S PLATINUM COMPLEX .	Two months (8th may 2017 to 7th July 2017)
2	*Devika S	National institute of Science and educational research, Bhabaneshwar	Prof. A. Srinivasan	SYNTHESIS AND SPECTRAL CHARACTERISATION OF ANTI AROMATIC CARBATRIPYRIN	Two months (15th May 2017 to 10th July 2017)
3	#Vidya Dhamodharan Nadar	BHABHA ATOMIC RESEARCH CENTRE, MUMBAI	Dr. V SUDARSAN	SYNTHESIS OF ULTRA LARGE GRAPHENE OXIDE AND ITS VISCO ELASTIC PROPERTIES	2 MONTHS
External Student participated in IAS-NAS-INSa summer research fellowship programme					
1	Muddagoni Jayashree	Parent: Vellore Institute of Technology University, Vellore Host: Central University of Karnataka	Dr. Konkallu Hanumae Gowd	CONFORMATIONAL ANALYSIS OF VICINAL DISULFIDE BOND IN PEPTIDES AND PROTEINS	2 months

* Both the students have been awarded highly competitive summer research fellowship in CHEMISTRY DISCIPLINE from INDIAN ACADEMY OF SCIENCES, which gives monthly stipend of 8000 rupees for the duration of summer internship at students chosen research discipline.

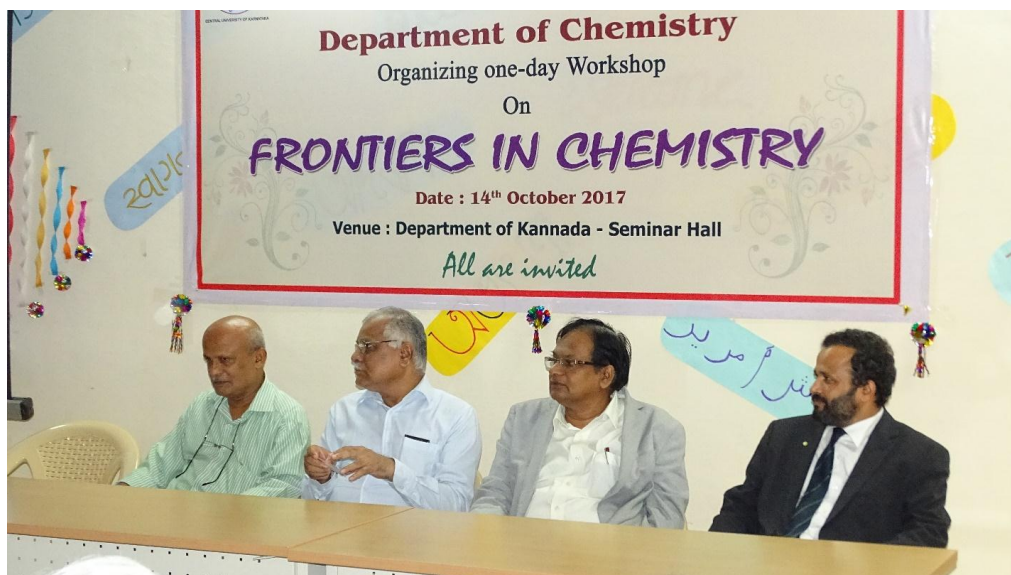

Awarded with Rs. 10,000/- per month fellowship for summer internship by BARC, Mumbai.

SCHOOL OF COMPUTER SCIENCE

INTRODUCTION

School of Computer Science was started in 2012 with the Departments of Computer Science having course Master of Computer Applications (MCA) as its constituents. The primary goal of the school is to provide high quality education in various domains of computer and cyber world at the post-graduate level. The academic programs of the School of Computer Science are aimed at creating an environment that promotes research, innovation and industrial applications. The School is creating high quality infrastructure in terms of well qualified faculty, well equipped laboratories, computational facilities and high quality learning materials in various domains of Computer Science. This infrastructure would be utilized to create motivated young scientists and computer professional capable of contributing to a “Knowledge Society”.

The School consists of the following Department:

1. Department of Computer Science

DEPARTMENT OF COMPUTER SCIENCE

INTRODUCTION

The Department of Computer Science was created in 2012 with a three year (six semesters) course Master of Computer Applications (MCA). It is a young and dynamic department that takes a scientific approach to computing solution towards real world problems. The program is broad and rigorous with courses in algorithms, data structures, logic, programming languages, scientific computing, systems, and theory, artificial Intelligence. The department is to enable India's excellence in the world of computer science and Information Technology (IT). We are pursuit to advance the frontiers of research in computer science and IT and offer world-class pedagogical and research experience to the students.

Vision

To groom the students technically competent and skilled intellectual professionals to address the challenges in current computing arena arising in Software Industry, Academia and Research & Development laboratories.

Mission

- ➔ Excellence in Teaching and Research.
- ➔ Assist in all e-Governance Initiatives in the University.

Interaction with Industries and Research organizations.

SCHOOL OF ENGINEERING

INTRODUCTION

The school of Engineering started in the academic year 2013-14. The motto of the School is to create the next generation Engineers, capable of serving the society by providing high quality engineering solutions to address the problems of 21st century. The academic programmes of the School of Engineering focus on knowledge assimilation, dissemination and generation. The School aims to create an ambience for learning and innovation for the students as well as the faculty. This theme would be utilized to create Exceptional human resources for the industries and public organizations, thereby help in building a “Knowledge Society”.

The School is running with following Departments:

1. Department of Electrical Engineering
2. Department of Electronics and Communication Engineering

DEPARTMENT OF ENGINEERING

PROGRAMMES OFFERED

- Integrated M.Tech in Power and Energy Engineering
- Integrated M.Tech in Information & Communication Technology
- Integrated M.Tech in Computer Aided Design Manufacturing and Automation
- Integrated M.Tech in Construction Technology
- Integrated M.Tech in Computer Science and Technology
- PhD in Electronics and Communication Engineering
- PhD in Electrical Engineering

FACULTY

1.	Prof. G.R. Naik	Dean
2.	Dr. V Sandeep	Assistant Professor & Coordinator - Electrical Engg
3.	Dr. Layak Ali	Assistant Professor - Electronics & Communication Engg
4.	Mr. Vidyadhar M	Teaching Faculty (Contractual)- Electronics & Comm Engg
5.	Mr. Gilani Pasha	Teaching Faculty (Contractual)- Electronics & Comm Engg
6.	Mr. Sainath	Teaching Faculty (Contractual)- Civil Engg

ACTIVITIES

Progress of MOOC in School of Engineering: Jan - Apr 2018

SWAYAM - NPTEL Local Chapter has achieved an impressive growth in implementation of **MOOCs** in the semester Jan - Apr 2018. The engineering students had NPTEL MOOCs exams in **Gulbarga** (at TCS iON centre) on 28 April 2018.

No of enrollments by students : 888
No of Students attempted the exam : 163
No of Students Passed the exam : 151
% of students passed : 92.64 %

No of Exams written by students in April 2018 : 40 courses
No of Students with Elite + Gold certification (90 - 100 %) : 01
 [by **P. Divyashree**, 93 Score in Soft Skills for Business Negotiations and Marketing Strategies]
No of Students with Elite certification (60 - 89 %) : 83
No of Students with Successfully completed certification (40 - 59 %) : 67

Most popular courses : 1) Introduction to Internet of Things (42 students),
 2) Better Spoken English (36 students)

Other attractive courses: 1) Soft Skills for Business Negotiations & Marketing Strategies (10)
 2) Introduction to Cognitive Psychology (9)
 3) Brief Introduction to Psychology (6)

- 4) Enhancing Soft Skills and Personality (6)
5) Virtual Reality Engineering (6)

NPTEL Examination	No of enrolments by students	No of Students attempted the exam	No of Students Passed the exam	% of students passed
March Exam 2017	03	03	03	100
April Exam 2017	12	12	10	83.33

CONFERENCES/WORKSHOPS/TRAINING PROGRAMMES

CONDUCTED

- Organized 3-day workshop on “Bio-Diesel Production, Analysis, and Commercialization” during 22-24 March 2017 in collaboration with Department of Chemistry, CUK
- Organized 1 – day seminar on “Applications of Power Electronics in Solar Energy Systems” by Dr. Chinmay Jain, Shakti Pumps, Indore on 11 March 2017.
- Organized 5 day workshop on Machine learning and Internet of Things for students and faculty of Computer science engineering in April 2017. Prof. Suryakanyth Ganganshetty (IIIT Hyderabad) and Prof. Manish kumar (Mangalore University) were the resource persons.
- Organized 1 – day seminar on “HVDC Technologies” by Prof. Arunachalam, BHEL on 27 July 2017.
- Organized “Engineering Day Celebrations 2017” on 15th September 2017 to commemorate the birth anniversary of Sir M Visvesvaraya. On this occasion, Prof. G. Umesh from NIT K

.....

Surathkal graced the function.

- Organized 2-day workshop on “Internet of Things” in association with Radiance - IITB, 13 -14, Oct 2017.
- Organized 2-day workshop on “Quadcopter” in association with Radiance - IITB, 13-14, Oct 2017.
- Organized 10-days Career Oriented Pre-Placement Training Program during 7 – 16 Dec 2017 by Bizotic solutions for student placements activities
- Organized 1-day workshop on “Arduino Programming and Applications” on 13 Jan 2018.
- Organized workshop on Programming with Arduino for faculty and students on 10 – 11 Feb 2018 in collaboration with IIT Hyderabad
- Organized 2-day event “Festival of Innovations 2018” on 28th Feb 2018.
- Organized workshop on Programming with Python for faculty on 10 March 2018 in collaboration with IIT Hyderabad
- Organized 1-day workshop on “Scilab” by Dr. Vijay Babu, IIIT Dharwad on 24 March 2018.
- Organized workshop on Programming with Python for students on 07 April 2018 in collaboration with IIT Hyderabad

PATICIPATED

1. C. Sreenath and **V. Sandeep** “SWOT Analysis of Smart DC Microgrids” *IEEE International Conference on Innovative Technologies in Engineering (ICITE2018)*, 11 – 13, April 2018.
2. Sharankumar Shastri, Shubhojit Ghosh, **V.Sandeep** “Novel Smart Bladed Wind Turbine Design” *IEEE UVCE's Fourteenth National Annual Technical Symposium, KAGADA 2017*, 14 Oct 2017.
3. Special talk by **Dr. V. Sandeep** “Linkage of Knowledge through Engineering Education, Project Work, Research & Innovation” at SECAB, Bijapur, 17 Oct 2017.
4. Special talk by **Dr. V. Sandeep** “Recent Technologies in Power Electronics and their Applications” at SECAB, Bijapur, 17 Oct 2017.
5. Special talk by **Dr. V. Sandeep** “Successful Journey of A Student in 21st Century” at JNTU, Hyderabad on 12 Dec 2017
6. Special talk by **Dr. V. Sandeep** “Successful Journey of A Student in 21st Century” at University of Mysore on 20 March 2018
7. Special talk by **Dr. V. Sandeep** “Emerging Smart Grids” at MSRIT Bangalore on 13 April 2018
8. Special talk by **Dr. V. Sandeep** “Renewable Energy, Microgrids and Smart Grids” at GRIET, Hyderabad on 10 May 2018

SPONSERED PROJECTS

NIL

AWARDS

- **Best Research Paper Award and Silver Medal, by Railway Board and Institution of Engineers, Dec 2017** for “Experience in Developing a Single-Phase Two Winding 5 kW Self-Excited Induction Generator for Off-grid Renewable Energy based Power Generation” *Journal of The Institution of Engineers (India): Series-B – Springer Journal*, vol. 97, no.2, pp. 127-137, June 2016.
- **Dr. V. Sandeep** has been elevated to the grade of **IEEE Senior member**. IEEE Senior Membership is an honor bestowed by only 10 % IEEE’s more than 4,00,000 members hold his grade, which requires extensive experience, and reflects professional maturity and documented achievements of significance.

BEST/INNOVATIVE PRACTICES

Implemented SWAYAM and NPTEL MOOCs courses in CUK. Students had NPTEL MOOCs exams in Gulbarga (at TCS iON centre) on 28 April 2018.

STUDENT ACTIVITIES

Mr. Sharankumar Shastri (5th year, PEE) has been selected for PhD admission at Indian Institute of Technology (IIT) Delhi

Ms. Neeraja S Jawali (3rd year, ICT) has been awarded **Internshala Training Young Achiever Scholarship 2018**, got gold medal in the course and won a free scholarship.

Supriya Hosmani (4th year, CST) a) participated in Ankur 2017-18 Mehendi competition and won 2nd prize, b) completed 2 months internship program in IIIT Hyderabad, on Machine learning, image processing and Audio information retrieval under Prof. Suryakanth Gangashetty, and c) successfully completed MOOC courses “Object-oriented analysis and design (8-weeks) and Social Networks (12-weeks)” and certified by NPTEL.

.....
Vivek Kumar a) participated two workshops at IIT Kharagpur on Ethical Hacking and Mobile Robotics, b) participated in Ankur sport events – Football and Volleyball, and c) participated in two workshops on Quad-copter and Arduino on 13 – 14 Oct 2017.

Bipllal Chakraborty a) won 1st Prize in DEBATE (HINDI) during ANKUR FEST 2018, b) got Certificate of EXCELLENCE from IIT(ISM) Dhanbad for scoring 90-100 in GIAN course (an initiative of MHRD Government of India)

Supraja B Kulkarni, Apoorva joshi, Anushree Math and Ashwini Kumari have been selected for smart India hackathon during 1-2 April 2017.

Supraja B Kulkarni (5th year, ICT) presented a paper "Comprehensive Analysis of Nonlocal means algorithm on wide set of ECG signals" International conference on Information communication technology for competitive strategies, at Udaipur, Rajasthan, December 2017.

Supraja B Kulkarni (5th year, ICT) presented a paper “Smart electrical energy monitoring and management system” at IEEE international conference held in Osmania University, Hyderabad, 11 – 13, April 2018

Shivdhan Koushik (2nd year, PEE) a) did the Summer Internship Programme of Indian Institute of Technology (IIT) Bhubaneswar during May – June 2018, b) Awarded Freeship from CUK for the academic year 2016-17, c) got selected as a finalist for competition of the Techradiance (IIT Bombay) Workshop on Quadcopter during 13- 14 Oct 2017.

Vinod Karknalli (3rd year, PEE) a) successfully completed IEEE webinar “Power Electronics-Enabled Autonomous Power Systems - Synchronized and Democratized (SYNDEM) Smart Grids” on 20 March 2018, b) completed the IEEE Smart Grid Webinar entitled HVDC... Intelligent Transmission on 14 September 2017, and c) did internship in MNIT Jaipur on "Design and fabrication of power electronics circuit" during May – June 2018.

Vishwaradhya Meti (4th year, CT) had following achievements

1. Completed Internship in P.W.P & I.W.T.D Division, Kalaburagi (public work department Govt of Karnataka) from 01/06/2017 to 30/06/2017.
2. Completed Internship in M.I. & Gwd Sub-Division Kalaburagi (Department of Minor Irrigation and Ground Water Development, Govt of Karnataka from 21/12/2017 to 30/12/2017.
3. Completed Internship in KUWS & D Board, Sub-Division Kalaburagi (Department Of Karnataka Urban Water Supply & Drainage Board, Govt of Karnataka from 1/06/2018 to 30/06/2018
4. Presented the Research Paper entitled as “Effective Solid Waste Management at Udnoor Kalaburagi District, Karnataka, India in the 9th International Congress of Environment Research during 8 - 10 Feb 2018, at Amity University Madhya Pradesh, in Collaboration with the Journal of Environment Research and Development.

-
5. Presented the Research Paper entitled as “Solid Waste Management at Udnoor, Kalaburagi Dist, Karnataka India” in the two day National Conference on “Dynamics of Rural Development and Panchayat Raj Institutions during 13 to 14 June 2018 at Karnataka State Rural Development and Panchayat Raj University (KSRDPRU), Gadag, Karnataka
 6. Completed the Course on Cisco-It essentials: PC Hardware and Software at Karnataka German Technical Training Institute from 28 Jun 2017 to 25 Aug 2017
 7. Completed the Course on “Developing Soft Skills and Personality” from NPTEL Online Certification offered by Indian Institute of Technology Kanpur from July to Sep 2017.

MOUS/AGREEMENTS/OUTREACH ACTIVITIES/OTHERS

- This Memorandum of Understanding is signed on 16th September 2018, between **School of Engineering, CUK and Centre of Excellence on Disaster Management, JNTUH University, Hyderabad** for carrying out knowledge transfer to the B.Tech Civil engineering and other branch Engineering students of final years to carry out their projects with advanced approaches and technologies.

- This Memorandum of Understanding is signed on 21st May 2018, between the **School of Engineering, Central University of Karnataka (CUK), Kalaburagi and Indian Institute of Technology (IIT) Hyderabad**. This MoU is proposed to provide mentorship to School of Engineering, Central University of Karnataka, Kalaburagi by IIT Hyderabad. IIT Hyderabad will assist the school of engineering, CUK in following domains: a) curriculum development, teaching, setting up laboratories, conducting Faculty Development Programs and students' workshop. CUK will adopt IITH fractal academics in B.Tech engineering programs from the next academic year 2018-19. Fractal academics is a novel academic curriculum developed by IITH, it becomes very popular in higher education in the country and owes its success.

SCHOOL OF EDUCATION AND TRAINING

INTRODUCTION

The School of Education functions within the broad framework of the objectives of NCTE and Central University of Karnataka.

The Department of Education, sanctioned by UGC, offers two programmes, B.Ed. and M.Ed. each of two year duration which have been approved by National Council for Teachers Education (SRC) with the intake of 50 students for each programme, meant for prospective Teachers at Secondary level. The primary objective of the Department is to impart quality teacher training. In addition to teaching- learning process, research and extension activities such as seminars, discussion are the integral part. This is a course with potential of employment in teaching learning, evaluation and research.

The Department is currently co-ordinated by Prof. Sunitha A. Manjanbail, Professor of Hindi.

The academic year 2017-2018 was a significant year for the school of education and training, as the School started taking shape by introducing B. Ed (Two Years Course).

The Bachelor of Education programme (B. Ed) is a professional course that prepares teachers for Upper Primary or Middle Level (Classes IV to VIII), Secondary Level (Classes IX & X) and Senior Secondary Level (Classes XI & XII). The programme is designed to provide opportunities for student-teachers to make them reflective practitioners. The school consists of Department of education

PROGRAMMES OFFERED:

1. B. Ed.

FACULTY

Sl. No.	Name of the Faculty	Designation
1.	Prof. Sunitha A. Manjanbail	Dean (i/c)

7.	Dr. Sushma N Jogan	Assistant Professor (Contractual)
8.	S P Pullanna	Assistant Professor (Contractual)
9.	Sushmita Patro	Assistant Professor (Contractual)
10.	Mr. Dayanand Hiremath	Assistant Professor (Hourly Basis)
11.	Mr. Chidanand Shinde	Assistant Professor (Hourly Basis)

ACTIVITIES

Departmental activities:

1. Swachh Bharat Abhiyaan:

“Cleanliness is the only way for Godliness”, with the implementation of this esteemed mission of the government. The department also took initiation to clean the surroundings and to spread awareness among the young

minds of the department. The abhiyaan was inaugurated by respected Dean (i/c) Prof. Sunitha A. Manjanbail followed by the Faculty and students. The young trainee teachers participated and expressed their views before the class.

2. **Orientation on Community Living by Prof. Chennaveer R M (on 27/03/2018):**

Orientation on Community Living by Prof. Chennaveer R M was Organised on 27-03-2018 to orient the trainee-teachers in carrying out their field work in the community.

President, PDO and Vice-President of Gola village with faculties and trainees

3. Community Living Camp:

As a part of curricular activities our trainee teachers and faculties visited Gola village for a week i.e from 3/04/2018 to 07/04/2018.

2. Prof. K.S. Nagaraja Conducted a field study for Sanketi Language during 26th December and 31st December.
3. Prof. K.S. Nagaraja visited field (Mysore) for data verification during 16th to 20th June, 2018.
4. Prof. K.S. Nagaraja Participated and presented a paper on a study of Nihali Language in the Seminar on The Endangered Languages of India, conducted by CFEL and KACD Dharwad during 6th & 8th March 2018.

CENTRAL LIBRARY

Information is the manager's main tool, indeed the manager's "capital," and it is he who must decide what information he needs and how to use it.

— "Managing the Information Explosion"

Peter F. DRUCKER

The Central Library provides access to information not just to widen the horizons of the users knowledge but also to support a host of their learning activities that range from books, e-books, journals, e-journal, databases, reports, dissertation, thesis, CD/DVDs, magazine and newspapers etc. Librarians are not just the gatekeepers here but the facilitators in a larger process aimed at improving the quality of life of the individual. We are driven by the motto to strive hard with commitment and dedication, which requires team spirit and tenacity to serve the strategic information requirements of the academic community on a continual basis pin-pointedly, exhaustively and expeditiously.

Mission and vision

To promote knowledge generation and application through effective dissemination to keep all Library users aware on the latest developments in the field of course curriculum and research and its related areas in and around the world

Objectives

- To support the learning process of all the users through provision of knowledge / Information thro' conventional /non conventional media.
- To meet knowledge / Information needs of the students, faculty and teaching community to support their developmental / programming activities.
- To respond effectively where ever possible, to the knowledge/ information needs of the research and development.
- To act as a repository for all the knowledge created within the University for future development

Library Resources

Sl.No.	Resources	Total
1	Books	55,150
2	Book Bank	12,281
3	E-Books	1252
4	E-Journals (approx) e-Shodha Sindhu	8,500

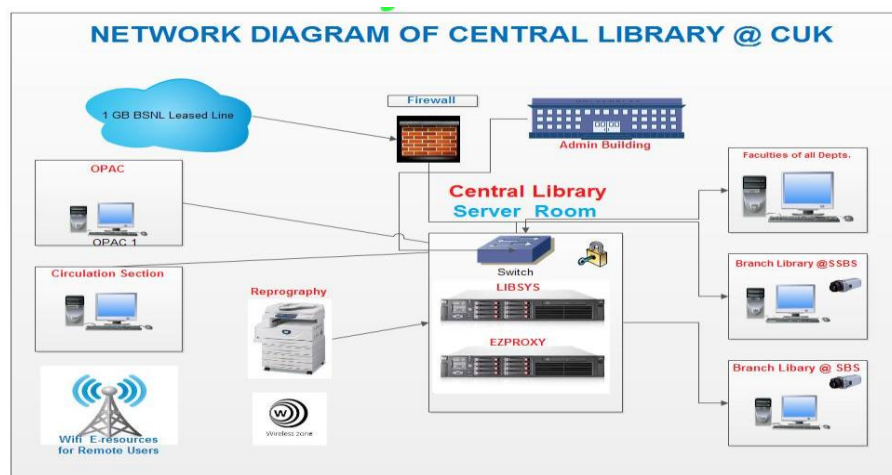

5	Journals in Print format	77
6	Back Volumes	520
7	Thesis and Dissertation	21
8	News Papers	08
9	General Magazines	25

Institutional Repository DSPACE

Publication of the University and Faculty are being digitized including Thesis and Dissertations, rare material and Archival material also would be digitized and uploaded to Dspace software.

Reserve Shelf/Text Book Section

The important text books recommended by the faculty are kept in this section for reference only. This section acts as a master repository for all the important text books, in case are not available on general shelf to support curriculum and research needs of the users. Special collections on social thinkers and leaders have been kept for reference.

Training Programs

.....
The training programs organized to the Faculty, Research Scholars and Students on Prowess database and SPSS version 20. In near future based on the requirement such training program would be organized based on the request from the user community.

User Orientation and Information Literacy Programs

To promote use and acquaintance of e-resources, learning materials, UGC INFONET e-resources, CD/DVD databases, research communication, presentation skills, information exchange and online access to Internet and web resources, various User focused and training Programs are organized.

Book Bank Scheme

The objective of this scheme is to help the needy student to draw books from the “Book Bank Scheme” for their consultation and use during a particular semester. The issue of these books is in addition to the books which the student is entitled to draw by enrolling him/herself as a member of the Book Bank library. Only the students who are the members of the Library and belong to SC/ST can draw the books for a semester depending upon the availability. No other member is entitled to draw books under the Book Bank Scheme. The books from this section are not to be sent on inter library loan also.

Events Organized

- Orientation program organized for incumbent students of all the department.
- Organized two day Workshop on Data Analytics using SPSS Faculty Development program organized by SPSS south Asia in association with Central Library, more than 200 participant within Karnataka and delegates from other state were presented.
- One-day training program on CMIE, ICI and Scopus database held on 19th March 2018.

Future Plans

Plans are on to develop the reading collection, creating quality reference collection for academic and research work by the departments. Plans are on to organize the workshop/seminars/conference. Developing separate section for visually handicapped students. 24/7 services may start soon.

4.	Activities of the Departments/Sections	<p>I. Provided technical support to the seminars/conferences/special lectures being held/conducted at CUK by various schools/departments.</p> <p>II. Providing and extending LAN and Wi-Fi Connection to various departments and the buildings that have newly come up in the Campus.</p> <p>III. Maintaining the Firewall to provide network security, user creation, setting up policies to user groups in view of attaining optimum utilization of the available bandwidth.</p> <p>IV. Maintenance of EPABX intercom services, IP based phones, provided through PRI Lines.</p>
5.	Faculty activities / Staff activities	<p>Mr. Vinodkumar Tandurkar, System Analyst, has attended the following Workshop/Seminar /Conference</p> <p>I. “National Cyber Defense Summit 17” held at Birla Institute of Technology Sciences (BITS) Pilani, Goa, on 15th and 16th December 2017.</p>

SKILL DEVELOPMENT CELL

Nodal Officer : Dr. Lakshmana G.

Introduction:

In order to facilitate offering of nationally standardized skill related programmes, the Government of India has notified the National Skills Qualifications Framework (NSQF) on 27th December 2013. It is a nationally integrated education and competency-based skill framework which provides for multiple pathways, both within vocational education and between general and vocational education, to link one level of learning to another higher level and enables learners to progress to higher levels from any starting point in the education and / or skill system. It permits individuals to accumulate their knowledge and skills and convert them, through testing and certification by the competent authorities, into higher level of certification which could be a certificate, diploma, advanced diploma, a degree or a PG diploma in common parlance and B.Voc courses. The Central University of Karnataka started its Community college activities in 2013. In 2015 (21-7-2015) the Community College and B.Voc courses are brought under Skill Development Cell at CUK for better coordination.

Vision: Achieve education and employment inclusion of disadvantaged youth through innovation skill – based education and training for employment and self-employment.

Mission.

- Design and implement innovative and need-based academic programmes for the disadvantaged youth.
- Forge stakeholder partnership with individuals, philanthropist's educational institution, industries and corporate for training and hand- holding arrangements for the deprived youth.
- Integrate education and competency-based skill framework which provides for multiple pathways, both within vocational and between general and vocational education, to link one level of learning to another higher level and enables learners to progress to higher level from any starting point in the education and/ or skill system.
- The Skill Development Cell aims at enabling the graduates completing Diploma and B.Voc to make a meaningful participation in accelerating India' s economy by gaining appropriate employment, becoming entrepreneurs and crating appropriate knowledge.
- To reach out the unreached population and empower them with need oriented and value based education with a view to enable them to be partners in national development

Programmers offered:

1. UGC community college one year Diploma in Tool Engineering
2. B.Voc in Horticulture (Food Processing)

-
3. B.Voc in Sugar Technology
 4. Diploma in Tool and Die Making (DTDM) (KGTTI is offering)

Faculty:

Sl.No	Faculty Names	Designation
1	Ms. Lakshmi H R	B.Voc in Horticulture(Food Processing) Contractual Teaching Faculty
2	Dr. Chandrashekar K. B	B.Voc in Sugar Technology Contractual Teaching Faculty
3	Mr. Avadhoot S Inamadar	B.Voc in Sugar Technology Contractual Teaching Faculty

Non Teaching Staff

Sl.No	Faculty Names	Designation
1	Pushpanjali S Biradar	Computer Operator
2	Laxmi S N	MTS

Activities:**B.Voc in Food Processing****Organization visited for various purposes.**

1. Visited Bisleri water industry on 4th July 2017 at Bagalkot.
2. Visited to KMF dairy situated at Vidyagiri in Bagalkot on 10/7/17
