

## Circular

**Subject: Updating events/activities on University Website-Reg.**

\*\*\*

The Central University of Karnataka is a relatively young premier centrally funded institution located in the educationally backward region of the State of Karnataka. The primary aim and objective of the institution is to work towards the enhancement of educational and research standards emanating from the institution. The institution has been working towards achievement of the said objectives through myriad academic and research related activities being carried out at the campus.

Furthermore, it is important to proclaim and promulgate various academic activities being carried out at the campus. The university website is a popular medium to proclaim and promulgate various academic activities and invigorate the public perception of the University. In addition, the public perception also plays a very important role in placing the university at an advantage in NIRF ranking and the accreditation process.

Consequently, all the stakeholders are hereby informed to share the details of such events/activities in line for uploading the same on University website. Likewise, the various activities including the one's being carried out under Ministry of Education, GoI, UGC and Central University of Karnataka tripartite Memorandum of Understanding (MOU) 2020-21 be updated timely on the University website for increased participation and outreach amongst all stakeholders of the University and others.

**Copy to:**
