

D.O.No. CUK/VCPS/2020-21

Date: 07/04/2020

My dear student,

I wish you are keeping good health and taking care of yourself and your family during this period of Covid,-19 menace around us. I am happy to know that you had a safe journey while returning to your hometown and to stay at home with your parents.

I have instructed my teaching staff to keep you engaged through online teaching and communication and try to complete the remaining part of the syllabus. I hope you all are involved in this process and responding to your teachers efforts and also using the e resources of learning through moocs, npTEL and from CUK library.

It is time for each one of us to avail this facility to the best of our capacity due to uncertainty in the academic calendar of our University and in the field of higher education in our country.

I appeal to each one of you to send your feedback on the same and suggest the ways to overcome the problem.

I am happy to forward herewith the arogya setu app and advisory given by Ayush dept of GoI and prescribed by UGC/MHRD for keeping fit during this period of health crisis. Kindly adopt the same and stay healthy and safe.

I will communicate to you frequently regarding the academic program, examination, reopening etc in the coming days. Please see our university website regularly.

Please be in touch with your teachers/dean/dsw/warden for any help.

I once again pray for your good health and let the situation restore to normalcy at the earliest for continuity of your academic career. I also join in conveying my serious concern with your parents regarding the same.

With Best Wishes,

Yours Sincerely

H. M. Maheshwaraiah
