And whereas the Centre would be making the arrangement to dispose the waste as envisaged under the relevant rules for handling and management of biomedical waste generated by the hospitals in general. Both the parties agree to work together in the field of hospital waste management as under.

Terms of Reference:

Responsibilities of the Occupier Healthcare Establishment (HCE):

1. To obtain Authorization from the Karnataka State Pollution Control Board (KSPCB) with actual number of beds in their HCE.
2. To ensure that the waste is handled without causing health Hazards to human health and the environment.
3. To segregate waste at the point of generation in accordance with Schedule I & II of the Biomedical Waste Management Rules 2016 and in compliance with the plan worked out by the ENVIRO BIOTECH to facilitate treatment at the plant. On site segregation and storage should be according to standards prescribed.
4. To establish secured waste collection site for storage within the HCE before handing over to the ENVIRO BIOTECH –A Common Biomedical waste treatment facility (CBWTF).
5. To furnish annual reports regarding generation, collection, storage, transportation, and disposal of biomedical wastes in the prescribed format to the prescribed authority.
6. To maintain records and report accidents etc. whenever they occur.
7. To designate a Nodal Officer responsible for interacting with ENVIRO BIOTECH and KSPCB.
8. To disinfect sharps and mutilate them or at least hand them over in a puncture proof and secure container for mutilation and sterilization at the site.
9. To use appropriate bags and bins for segregation, collection and storage of biomedical waste using prescribed colour codes, before handing over to the Enviro Biotech representatives for treatment.
10. Regular payment of service charges will be the responsibility of the HCE's. The HCEs would have to make the arrangements for the payment of the service charges along with the applicable Taxes to the authorized person of the ENVIRO BIOTECH.
11. On time payment of service charges will be the responsibility of the HCE's. The HCEs will have to make arrangements for the payments of the service charges to the authorized person of
12. the ENVIRO BIOTECH only.

SERVICE TO BE PROVIDED BY THE ENVIRO BIOTECH:

1. To schedule the collection timings and mode in consultation with the HCE but within a reasonable range of time within 48hrs.
2. Large bins or trolleys from storage area to the transport vehicle would have to be arranged by the HCE.
3. Enviro Biotech representatives would arrange to collection segregated Biomedical waste From specific locations meant for storage of bio-medical waste of each of the HCEs with whom this MOU being signed.
4. Enviro Biotech will be responsible for the safe transport of the biomedical waste form the HCE to the common facility in accordance with the Biomedical Waste Management (BMWM) Rules, 2016.
5. Appropriate treatment and disposal of different categories of waste would be carried out by the Enviro Biotech on accordance with the BMWM Rules,2016.
6. Monitoring and ensuring complete disinfection / sterilization of the waste in accordance with the BMWM Rules will be carried out in collaboration with the Karnataka State Pollution Control Board (KSPCB) Bidar.
7. A liquid effluent treatment plant to treat the liquid wastes emanating from the treatment facility will be established and operated in accordance with the Environment Protection Act (EPA) 2016.
8. The Collected waste material would be checked periodically for segregation, labelling etc. and suggestions would be given for improvement to the HCEs, which the HCEs must implement.

9. Appropriate training will be provided by the Enviro Biotech to the HCE personnel for segregation, transport, storage. The HCE will cooperate and accommodate the suggestions given during training and incorporate them in their practices in the spirit of cooperation and goodwill.
10. The Enviro Biotech will be the preferred contractor for lifting non-infected plastics, paper, glass metal and other non – biodegradable material used in the HCEs. This should be given free of cost to the Enviro Biotech.
11. Consent for operation and authorization for the facility will be procured by the Enviro Biotech and regularly renewed.
12. Certificate for the proper transport vehicle will be procured by the Enviro Biotech.
- 13.
14. As per CPCB Guidelines, Barcoding system will be applicable and implemented in coordination & cooperation with HCE's & KSPCB.

Joint Procedure Order:

Enviro Biotech has prepared a detailed procedure order covering the working methodology to be adopted during the term of contract and the same is the manual to be followed during the term of contract.

The Enviro Biotech will collect, transport, store, treat and dispose the different Waste in accordance with the Biomedical Waste Management (BMWM) Rules 2016 and will avoid becoming liable for improper treatment of disposal.

Emergency Contingency Plan:

In case of failure to collect waste for more than 48 hours from the designated time of collection from HCE, the Enviro Biotech and the KSPCB will be informed by the HCE. Enviro Biotech will collect the waste from the HCEs 6 Days in a week (excluding Sundays). However, considering the magnitude of the waste, Enviro Biotech may collect the waste from only major HCE's on Sunday as well. Collection of waste may not be undertaken on major holidays declared by Government. Enviro Biotech will intimate the HCEs about the non-collection days every quarter. Enviro Biotech will not undertake collection of waste in the case of strike in the city and any other such conditions beyond its control.

In Case there is disruption of services either in the collection, transportation, storage such as breakdown at the treatment and disposal site, the contingency plan put forth at the time of applying for consent for establishment of the common facility would be implemented.

Mode of Payment:

A payment of Rs 6.00 per bed/per day + Inclusive of GST + BMW BAR CODE Charges will be charged towards the disposal of Bio Medical Waste. The payment will be collected in advance every quarter and will have to be given by the HCEs to the authorized person from the Enviro Biotech in the first week of the month of that quarter for which the waste collection is going on. HCE's will have to make arrangements for the timely payment of the service charge which includes transportation, treatment & disposal cost along with the applicable taxes to the authorized person of Enviro Biotech in the form of RTGS/NEFT/IMPS/DD or UPI or Cheque in favour of Enviro Biotech only. The above said rate is applicable to the HCEs till next rate revision by District Monitoring Committee. After rate revision, new rates will be applicable to all Health Care Establishments.

GST @ 12% is applicable for Bio Medical Waste Management Services w.e.f 01-07-2022 as per the 47th GST Council Meeting held on 29-06-2022.

In case of Non-Payment by the HCE's for more than 15 days of the deadline, Enviro Biotech will stop the collection of bio medical waste and MOU will be cancelled with an intimation to KSPCB.

Dispute Resolution:

In case of any dispute between or among the parties hereto regarding any of the clauses of this MOU, the matter shall be referred to arbitration of such person as Enviro Biotech may decide and the same shall be decided in accordance with the provisions of the Indian Arbitration Act in force. This agreement is subject to the jurisdiction of Courts in Bidar / Kalaburagi.

In case of transgression or any other reason of a kind nature whatsoever, the parties shall discuss the same among themselves in the spirit in which this MOU is signed rather than attempting to revoke the penal provisions.

Enforcement of this agreement will be in accordance with work order dated 12-12-2024 by Deputy Commissioner, Kalaburagi & Chairman – DHCWMC for a period of One Year OR until further orders.
