SUMMARY

Neither party shall subcontract nor assign this MoU in whole or in part or make without the prior written consent of the other party. Any purported subcontract or assignment is null and void.

This MoU represents the entire agreement between the parties with respect to the subject matter hereof and will be independent of and have no effect upon any other contracts.

The purpose of this MoU is to express the intentions of the parties, specifically for the research and public outreach activities.

The terms of co-operation for other specific activities contemplated under this MoU shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of that activity. Any such activity agreed upon will be recorded and governed by a separate document executed by both parties.

Activities to be organized under this agreement will be the responsibility of the Heads of both institutions or of persons designated by them.

This MoU imposes no financial obligations on either party. Both institutions understand that all financial arrangements will have to be negotiated and will depend on the availability of funds that will determine whether the said activity is possible to be conducted or not.

Each party recognizes that the other party has, may have, or will have arrangements of a similar or different nature with other institutions whether in each party's areas of activity, during the currency of this MoU.

This MoU is for the purpose of advancement of knowledge and it is not for any commercial interest.

For using the institution's name **RBFSAM or CUK** in any activity clear communication and discussion need to be undertaken, beforehand.

Two official versions of this agreement, executed in English, are signed by the representatives, with one copy to be retained at each party. The parties will designate representatives who will develop and coordinate specific programs or activities between them.

This MoU is being signed by the coordinators/ representatives
